

**STATIC HOMES**

**SITING AND LEVELLING**

Situated in the West Midlands, at the heart of the “Black Country”, A.P Lifting operates from four sites supplying what is probably the largest range of chain, rope, hardware, hinges, ironmongery, fencing, tools and mechanical handling equipment available in the UK. Our camping, caravan and leisure division has opened up to a huge range of products which is why we are proud to release our latest product catalogue, as well as our newest division which manufactures and supplies made-to measure tarpaulins, netting & all aspects of sheeting. Please browse and get in touch with any sales enquiries or questions.

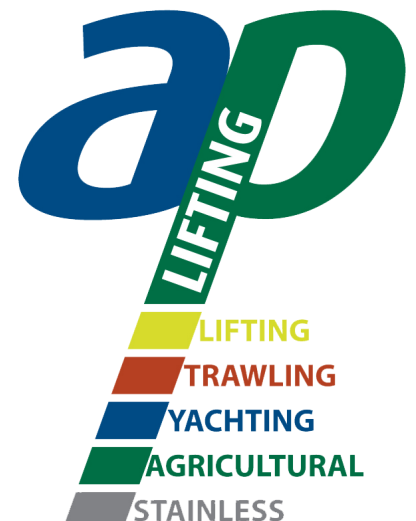

With years of experience in the industry, our product range has been tailored for people who have a passion for camping, caravan, motorhome, leisure and the great outdoors which is why we provide a wide selection of choice in each area.

See the range of Axle Stands, Concrete U-bolts, Chains, straining Screws and Shackles. Our products are available at our main headquarters in the Midlands or you can find us at many shows & exhibitions around the country.
