COMPANY PROFILE

C O M P A N Y P R O F I L E

Situated in the West Midlands at the heart of the "Black Country" our company operates from four sites with a total cover of over 110,000 sq. feet, supplying what is probably the largest range of chain, rope, hardware, hinges, ironmongery, fencing, tools and mechanical handling equipment available in the UK.

Our range includes products manufactured from aluminium, brass, cast iron, alloy and stainless steels for use within the Agricultural, Architectural, Fencing, Engineering, Commercial Body Builders, Building and Construction together with DIY markets.

With three calibrated test machines on site, the largest capable of proof loading to 120 tonnes you can be assured that we have total control over the quality of our products to final testing. Our Quality Assurance Systems verified by BVQI meets the requirements of BS EN ISO 9001:2000 under certificate number 21868 which further confirms our commitment to quality.

The Head Office is situated in Dudley an area which is also home to the Black Country Museum which gives an impressive insight in to our industrial heritage. The museum is certainly worth a visit and can be combined hopefully with a visit to our company were you will be assured of a warm welcome.

Our company also has the largest range of stainless steel chain and rope fittings available in the UK so please ask for our catalogue covering this range of products.

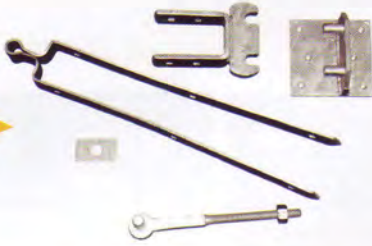

Our policy is simple, to offer a competitively priced quality product from stock.
